Bill —
1. Thanks, but I do not feel I need to be consulted on home-leave-and-returns or extensions of Chiefs of Station. I know you will not concur in a COS home leave if a critical situation argues in favor of his remaining in the field.

2. On the other hand, I do want to be the approval authority for appointments of Chiefs of Station, and the other senior positions listed in [REDACTED] including Deputy Division or Deputy Staff Chiefs.

SUBJECT : Responses to DDO on attached

Regarding your query, since [redacted] (attached) assigns no role to the DDCI in the appointment of senior DDO officials, you might want to expand your answer to the attached memo, perhaps as follows:

"1. Thanks, but I do not feel I need to be consulted on home-leave-and-returns or extensions of Chiefs of Station. I know you will not concur in a COS home leave if a critical situation argues in favor of his remaining in the field.

"2. On the other hand, I do desire to be included on the routing (or would you prefer 'to be added as a concurring authority') for appointments of Chiefs of Station, and the other senior positions listed in [redacted] [redacted] although final approval will remain with the DCI."

although final approval will remain with the DCI."
